

Cambridge School PTO Class Listing

Dear Parents/Guardians,

The PTO would like to create a class list that includes every child's name, address, phone number and parent email address to be distributed to parents in your child's classroom. These lists are useful when a homework assignment is forgotten, for planning social gatherings for your child, the planning of class parties, and for PTO communication. It will not be distributed to anyone else for any other purpose. Please follow the link to fill out this form online. Please have this form filled out no later than 10/23. Up to four students can be filled out on this form.
